ISSUED: October 4, 2005

Pursuant to a request of the parties, the Commission hereby grants limited reconsideration of its Report and Order issued in this matter on August 18, 2005, for the purpose of allowing Qwest and Level 3 to engage in settlement negotiations without concern for the statutory deadlines for rehearing identified in Utah Code Ann. § 54-7-15 and without prejudicing Level 3's right to appeal.

This limited grant of reconsideration does not go to the merits of Level 3's Motion for Reconsideration and Rehearing filed on September 19, 2005, and the Commission anticipates that the parties will conclude their settlement discussions within 45 days of today's date.

WHEREFORE, it is hereby ordered that:

- Limited reconsideration of the August 18 Report and Order is granted for
 45 days.
- 2. In the absence of settlement by the parties or further Commission action to the contrary, any substantive response by Qwest to Level 3's Motion for Reconsideration and Rehearing shall be due on November 18, 2005, and in the absence of Commission action
